Building Inspection

Electrical Permit and Inspection Information

The City of Stillwater does not process electrical permits or perform electrical inspections.

The Electrical Inspector for the Stillwater Area:

Erik Mead
(763) 269-5828

You may contact Erik between 7 a.m. and 8:30 a.m.
Monday through Friday for permit and inspection information.

Electrical Permits are available at: www.dli.mn.gov. Once you are on the website, click on electrical tab for permitting instructions under Permits (REIs) Heading.
