Boating Safety Tips

Wear your lifejacket and make sure children wear theirs. State law requires children under 10 years old to wear a properly fitted life jacket while a boat is in motion.

Stay sober. Alcohol is the #1 factor in boating fatalities.

Be weather aware.

Code Enforcement 27 Hours

- Building Inspections

- Strategic Planning
- Officers Meeting

School Bus Safety

Minnesota law changed to require drivers to stop at least 20 feet away from a school bus **whenever** the red lights are flashing. The stop arm does NOT need to be fully extended.

When a school bus's red lights begin flashing, you must stop – no exceptions – at least 20 feet away from the bus.

This applies whether the stop arm is extended or not, when approaching from behind the bus, and applies to oncoming traffic on undivided roads.
