Did You Know?

Among preventable injuries, drowning is the leading cause of death for children 1-4 years old. It's the third leading cause of unintentional injury-related death among children 19 and under

Watch kids when they are in or around water. Chose a Water Watcher. When there are several adults present, chose one to be responsible for watching children in or near water for a certain period of time, such as 15 minutes. After 15 minutes, select another adult to be the Water Watcher.
